How We Evolved!

Markom Express Agency (MEA) is passionate about helping brands find their creative voice in a consistently evolving, increasingly digitising world. We have over 16 years of combined expertise in Marketing Communication and broad-range Content projects across trans-disciplinary, varied industries; and our dedicated team aims to be a one-stop solution for helping our clients thrive in a changing omni-channel world.

We believe in leveraging the brand's unique strengths to build a personalised roadmap to success. We're here to make your life easier, and your brand's presence truly customised!

Our goal as a full-service marketing agency is to apply our team's drive, creative prowess and critical thinking skills to work closely with each brand, and to create unique, innovative strategies that produce effective, tangible results.
